

# 2022 Nurse Extern Program

Baptist Externship Program provides nursing students who are entering their last year of nursing school an opportunity to work under the direction of a Registered Nurse to gain experience and enhance skills already learned in school.

Externship placement is determined through an application and interview process in compliance of annual guidelines set by the Mississippi Hospital Association.

Learning offered in the following areas:

- Mother/Baby, Labor/Delivery & Nursery
- Med Surg/Oncology
- Progressive Care Unit
- Surgical/Pediatrics
- ICU
- ER
- Behavioral Health

**February 25<sup>th</sup>**  
Extern applications due.

**March-April 2022**  
Interview process and  
Extern selection.

**April-May 2022**  
Confirmation of extern  
acceptance.

**May-July 2022**  
Completion of extern  
hours.
