

2026 Summer Nurse Externship

Join Our Oxford Team

About Our Program:

Our Nurse Externship is a paid opportunity for 1 on 1 clinical training with an experienced RN preceptor allowing the student to gain early experience in inpatient and specialty areas. This competitive nurse extern role is designed for motivated nursing students seeking advanced clinical exposure and is a strong pathway to employment after graduation. Apply now! Our program is limited to 30 positions.

Eligibility Requirements:

- Currently enrolled as a full time nursing student in an approved RN program.
- Completed one year or two semesters of clinical courses.
- Good academic standing.
- Must enroll in the Extern course through your school.
