

NURSING STUDENT EXTERN

The Student Nurse Externship Program is a paid opportunity to enhance previously learned skills under the supervision of an experienced Registered Nurse preceptor in rural healthcare. Students will learn in a dynamic setting with varying levels of patient acuity. Opportunities available for Medical-Surgical and Emergency departments.

ELIGIBLE STUDENTS:

- ✔ Successfully completed two semesters in an approved School of Nursing
- ✔ Must enroll in the Summer Externship course through an approved School of Nursing in Mississippi
- ✔ Available to both ADN and BSN programs
