

# 2026 NURSE EXTERN PROGRAM

Dates: May 18th- July 24th.

Available to any senior-level nursing student. Must be enrolled in the Summer Nurse Extern Course offered by an approved School of Nursing. Program requires 320 worked hours.

Nurse Externs work the same shift as their preceptor and may perform skills that have been validated by their School of Nursing. An exclusion list of skills that CANNOT be performed will be provided.

Purpose: To provide nursing students with an opportunity to enhance competencies, experience a typical work environment and prepare students to assume responsibilities of a full-time RN.
