

# 2026 STUDENT NURSE EXTERNSHIP

---

Gain hands-on experience through the Student Nurse Externship Program at UMMC Community Hospitals.

Our community hospitals offer a supportive, team-based environment where nursing students work closely with nurse mentors to build real-world skills and confidence. This temporary, full-time externship is a great opportunity for eligible nursing students to gain practical experience, support patient care, and prepare for a future career in nursing.
